## Our special guests this year:

### Gretchen Thibault

Gretchen, a mother of nine, has experienced life in Ukraine through the eyes of her two special children with Down syndrome. She will share her observations, understanding and deep desire to improve life for those with disabilities in Ukraine, whose general neglect is tragic. When given the opportunity, those with disabilities can thrive and shine. Come hear how Chalice of Mercy is working to establish a project that will do just that!

### Fr Pablo Escriva de Romani

Chalice of Mercy welcomes Fr. Pablo Escriva de Romani who, ordained in 2009 for the Diocese of Madrid, Spain, will share how his work brought him into direct contact with Ukrainian medical students and Ob/Gyn interns while they were on a Dignity of Life retreat. He will share how he was able to give those who did not even know God a remarkable experience of the goodness and love of God through his unique ministry.
